STEAK LOCKER

Professional Series

Design.

Steak Locker introduces the SLPRO435, the world's first smart commercial Dry Aging Fridge developed for the professional Chef, Restaurateur, Butcher, Farmer, Artisan food supplier and the passionate Enthusiast. It will be the centre piece of your new profitable dry age steak program.

Commercial Smart Application

Steak Locker's smart mobile application allows you to track, monitor and control your valuable inventory in real time from anywhere. It provides extensive product information and will allow you to have full yield control with lower aging loss, ensuring maximum profitability.
